LAB SAINT-HELIER

Your partner for research and
innovation projects in the fields of
disability and ageing

WHO ARE WE ?

LAB Saint-Héliier, the Fondation Saint-Héliier's innovation center, supports companies in carrying out their projects. The Fondation Saint-Héliier is, thus, developing an ambitious strategy based on innovation and research aimed at improving care in the fields of disability and ageing.

OUR AMBITION

LAB Saint-Héliier supports companies in developing innovative solutions, from user surveys to clinical studies in the fields of disability, ageing and independent living.

A MULTIDISCIPLINARY TEAM TO SUPPORT YOU
